

DUCK VASE SLIM

Reminiscent of little, individual three-legged characters or friendly creatures, the Duck series is a playful and exuberant addition to more minimalist series of treys, vases, bowls, pots, jars and plates in a modern interior.

Yet, true to the design manifest of 101 Copenhagen, the collection is held in natural colours to fit into the Scandinavian home.

Duck comes in various shapes, sizes and colours - like individual family members gathered around a table. As it is a hand glazed natural product, the colours may vary slightly and while it is not 100% waterproof, a bag for fresh flowers is included.
